

4L Lounger Series

4L Lounger Series

- 4L Lounger
- 4L F Lounger
- Double 4L **-new**
- 4L Chaise Lounger **-new**

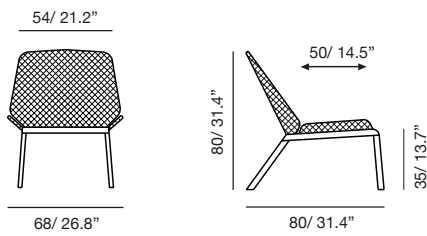

The 4L Lounger collection is an outdoor reclined seat with a squared frame architecture based on the 4L series. The design is distinguished by a sectional criss weave surfaced, which enhances the air circulation between the chair and seat cushion providing greater comfort. An extension of the 4L series is a new Double Lounger and the 4L Chaise to complement the line.

Seat Pads

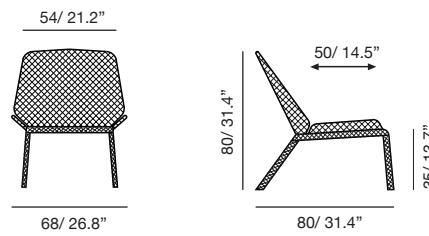

The 4L Seat Pads and headrest are now custom tailored with a double stitch seam, also available with quilted contrast stitching. Seat pads contain recycled foam and are environment friendly.
