

Riptide™ Bench

Riptide is a modular bench seating system composed of three primary shapes capable of endless configuration. The sectional seating can be linked into a continuous undulating bench or split off into multiple arrangements. For use in public spaces, Riptide is a sinuous, sculptural design that is more than the sum of its parts.

Specifications

Material

One-piece, rotationally molded, specially formulated, high-impact polyethylene with ultraviolet light stabilizers (to reduce fading). The commercial-grade polyethylene material is also FDA-approved, making it ideal for restaurants, food courts and entertainment facilities. Chemically resistant to bleach, salt solution and chlorine solution. Premium TruColor™ material is fully compounded for superior color and quality assurance. Enhanced UV resistant formulation suitable for both indoor and outdoor use. Corrosion-resistant adjustable floor glides.

Options

Illuminated Version (Moonglow only), Ganging plates, Anchor kit, USB charging port

Environmental Test Standards

GREENGUARD and GREENGUARD Gold Certified by UL Environment. Product certified for low chemical emissions to UL 2818. UL.COM/GG.

Performance Test Standards

Product tested to 500 lbs static load.

Assembly

None Required

Warranty

5 year limited replacement warranty.

Maintenance

For routine and regular cleaning maintenance, Tonik recommends the use of Simple Green® or an equivalent cleaning product. For the deep-scrub cleaning of tougher stains, marks and debris, we recommend the use of Clorox® Clean-Up® Cleaner + Bleach or an equivalent cleaning solution.
