Luigi Bormioli

ITALY

Parma, Italy, halfway between Bologna and Milan, has a glorious history that traces back to the Etruscans. Perhaps best known for its splendid architecture and its foods (especially the incomparable parmigiano reggiano cheeses and its prosciutto di Parma), the region is also a center of art and music, higher learning, and glassmaking, foremost the world's leading glassware manufacturer, Luigi Bormioli.

The company was founded in 1946 by Mr. Luigi Bormioli, who led it to international prominence. The Bormioli family continues his mission: a commitment to great design, traditional Italian craftsmanship and new-age glassmaking technology to create beautiful glassware of the highest quality. Luigi Bormioli rivals fine crystal in appearance and elegance, but is lead-free, affordably priced and widely available.
